Deli & Bakery To Go...

By the pound or by the piece, take home fresh from our deli & bakery , bagels, bread, rolls, meats, cheeses, homemade cream cheeses, salads, Acme Nova from Brooklyn, pickles, butter cookies, rugalach, linzer tarts, black n whites, cream cheese brownies, cheesecakes & more!

Our Story...

We started with a simple idea using simple ingredients; flour, water, yeast, salt and malt. In addition to those we threw in a pinch of love, passion and a healthy measurement of obsession! That was in Camarillo California in 1994.

Since day one, we have worked tirelessly to create a fast casual delicatessen and bakery, offering simply the best of an authentic menu where quality, comfort food is done right, in a place that is comfortable and inviting to meet family and friends.

Our bakery is our foundation; we only use unbleached flours, real butter and all natural ingredients with absolutely no preservatives. We make all our bagels (boiled and hearth baked), breads, rolls and pastries on premises from scratch daily.

Our eggs are free range brown eggs, our cream cheeses, salads, soups, dressings and more are made daily in house.

Our sandwiches are handcrafted and piled high using only all natural preservative free proteins and the finest quality dairy products available.

Our ground beef is farm raised certified Angus, our Chicken is fresh, antibiotic, hormone free and our produce is locally sourced.

Our coffee is fair trade, certified organic and our fountain beverages are hand crafted organic too!

From our family to yours, we thank you for your patronage and hope your experience at Old New York Deli & Bakery Co was so special, that the next time you visit you will bring a friend!

Made from scratch, made by hand since 1994.
